

# CCRCNA XXX

## Registration Reminder

(February 18<sup>th</sup> - 20<sup>th</sup>, 2022)

The convention board would like to invite all to come celebrate their recovery at the 2022 Central California Region Convention on February 18-20, 2022 and to remind everyone of the approaching deadline of January 31, 2022 for pre-registration either through our online portal at [ccceinc.org](http://ccceinc.org) or by mail in registration for just \$30.00.

For those of you that prefer mail in pre-registration you can find a flyer at your local group meeting or you can download one from our website at [ccceinc.org](http://ccceinc.org). For those that want to volunteer or need more information e-mail our fellowship coordinator Mike H. at [info@ccceinc.org](mailto:info@ccceinc.org) or call (661) 305-4367.

There is merchandise available for pre order at our website to be picked up onsite at the convention. Some items will only be available online so please visit us at [ccceinc.org](http://ccceinc.org) to view our merchandise and to assure your size and color availability. Due to COVID and an abundance of caution, the Saturday evening banquet and Sunday morning breakfast have been cancelled. If you have purchased one or both of these meals, you can expect a refund on your credit card soon. Also, we are subject to all federal, state, and local COVID mandates for gatherings of 500 or more and not able to make any exceptions to any mandates that are in place at the time of the convention. Once in the facility, all attendees will be required to wear masks.

This is a registration badge required event and all members are welcome to attend so we continue to ask for newcomer donations either at the time of registration or feel free to drop some change in one of the newcomer donation cans at the event to help offset the costs of newcomer registration as well as recovery home discounted registrations.

We have a great event planned and hope to see each and every one of you there in February.
